Re: Appeal under section 147 of the Registered Land Law (2004 Revision) regarding registration of public rights of way

1. We refer to your letter dated 19 July 2017.
2. We disagree with the position you set out in your letter. In particular, you have stated that it is “for the authority concerned (the Registrar in this case) to bring the matter before the Court.” We disagree. It is for the Appellant (being the representatives of the Concerned Citizens Group) to bring the matter before the Court.
3. The Registrar of Lands’ position therefore remains as set out in our letter dated 27 March 2017.

Yours faithfully,
